Could you please re-check the lab# that goes with this case? I pulled the data for ██████ and it is a Quincy case (spoon with residue that was assigned to Annie Dookhan).
Thanks!

Hi Maria,

I just received a request that you sent via regular mail for my notes, etc...for Com v ████████████████
████. The request is dated June 7 (I don't know why it took so long for me to get it) anyways, would you still like me to mail out the info to you?

Thanks,
Kate

Dear Ms. Corbett:

I am prosecuting the matter of Commonwealth v. ████████ in the Lynn District Court. You performed drug analyses on this matter, as referenced above.

Currently, the matter is scheduled for pretrial hearing on July 15, 2010. Your testimony and appearance are not required on that day. However, I need to provide defense counsel with a copy of the lab case file. Would you be so kind as to forward me a copy of these documents as soon as you are able?

Please do not hesitate to contact me with any questions at 781-599-8094, or via email at maria.markos@state.ma.us.

Thank you for your anticipated cooperation.

Maria Markos
